Domainehomes

The Dallas 24 is a single storey dream for growing families looking for a home that will facilitate their busy lifestyles and see them through a number of life's stages. Although designed to fit on a small block, the Dallas 24 is a spacious home that packs a functional punch with clever layout and optional design extras if required. The home features four large bedrooms, with the master boasting an ensuite (while bedrooms three and four have easy access to the main bathroom) and walk-in wardrobe. The open plan kitchen, living and dining is perfect for entertaining and nurturing communal family time to catch up on each other's days. The double garage more than comfortably holds two large vehicles, and can be used as easily-accessible storage if required. Design options for this home include alternate walk-in linen press, butler's pantry, grand alfresco, home theatre and moving living to the front of the home.

\*Facades are a style and are for illustrative purposes only and are not house specific. They may demonstrate optional enhancements such as Colorbond roof, rendering and feature brickwork/tiles that are not standard but are available as an optional upgrade. Each facade may look slightly different from one house type to another and not all facades are available on every home. Items such as landscaping, water features and decking are not supplied by Clarendon Homes. Ask your New Home Consultant for full details on standard inclusions on the home and facade you have chosen. Standard facade pricing is based on face brick (and cladding to double storey homes) with roof tiles unless otherwise specified.
