The luminous entertainer

The Leda is designed for families who believe there's always room for one more at the table. The kitchen and living areas are located in their rightful place at the centre of the home, where you can watch the kids finish their homework while preparing dinner, or share stories of your week over a relaxing weekend brunch. When guests come to visit, serve drinks in the beautiful large alfresco area and enjoy good conversation in the great outdoors. The master suite, bedrooms and bathrooms radiate out from the entertaining area, naturally drawing the family back to the heart of the home.
