Escape the everyday, every day

Who needs a holiday when staying at home is this good? The Louis is designed to provide families with a relaxing, comfortable space where they can unwind after a busy day. Infused in the home are all the features you'd expect at your favourite resort, from beautiful walk-in wardrobes off two bedrooms and a walk-in pantry off the kitchen, to a parents' master suite nestled in the front of the home. The other three bedrooms run along the perimeter of the house, so any noise in the open living area doesn't disturb the little ones after bedtime. The Louis will make you feel like you're on holidays, without stepping out the front door.
