Domainehomes

A modern metropolitan design

The Lyon evokes the feeling of a sophisticated apartment, with a long corridor running down the centre of the home, breaking off into a range of elegant living spaces along the way. The living, family and dining areas each unfold to give you pockets of space where you can relax or focus. It's designed for maximum space efficiency, so you have room to stretch out while keeping your home uncluttered. The laundry is neatly tucked away out of sight, while the modern bathroom makes the most of every corner. The Lyon offers all the benefits of apartment living, with enough room for a busy family.
