Light, bright and breezy

The Malibu is all about creating pockets of space where everyone can enjoy quality time together. The large kitchen is a hub for casual meals and conversation, while the open living and dining rooms naturally flow outdoors, for an alfresco vibe that's perfect for those long summer nights. Whether you're feeding the family or cooking for guests, the walk-in pantry is perfect for keeping the kitchen stocked and organised. There's no need for the kids to miss out on the fun: the play area off the twin bedrooms give them plenty of space to spread out their toys and games, without cluttering the rest of the house.
