Engineered for entertaining

We know food brings together families, whether it's breakfast before school or an elegant dinner party with friends. That's why we've designed the Mana with the kitchen and dining area at the heart of the home. The large walk-in pantry makes entertaining a delight, with plenty of space for storing food and easy access to the double garage for those big shopping trips. There's an entertaining space for every occasion, whether it's a kids movie night in the theatre or casual drinks in the beautiful alfresco area. The bedrooms and bathrooms are designed to surround the entertaining area in a circular fashion, to keep everyone connected while providing them with their own space to relax and recharge.
