A place for everything

The Memphis is a nod to traditional values, with a place for everything and everything in its place. The modern kitchen opens onto a large family area, where you can relax and watch the kids play in the adjoining rumpus room. They'll love having space of their own, where they can get creative and store toys, art and other activities. A large walk-in pantry keeps the kitchen neat and tidy, while the large walk-in wardrobe and ensuite transforms the master bedroom into a parents' retreat, where you can stay close to the kids while enjoying a quiet space to unwind.
